** INFORMATION on the 'GUARDIAN/PARENT' category:

For *individual* JUNIOR Members **ages 5-15**, *at least one parent* must join as a 'Guardian/Parent'. This is for legal/PVG purposes, essential for communication, and because this parent will use - i.e. be responsible for - key-code security. **All non-member second parents** must be signed in by their Member spouse/partner every time on arrival at the Club.

The Club also advises that **ALL non-playing PARENTS + OTHER ADULTS** (e.g. nanny, grandad) who will be regularly bringing children to the Club and using the key-code must also join as 'GUARDIAN-PARENTS'.

This way, all adults frequently at the Club are "known to" the Club.

(Occasional Family Guests **must be signed in** at the Visitors Book at the start every visit.)

CHILDREN from **Primary 1 or age 5-and-over** can become **FALCON JUNIORS** and register for coaching.

TOTS age 3 - 4: Members' pre-school children age 3-4 may have **FREE** membership, so do register them!

N.B. Please **ONLY SELECT 'TOTS Membership'** *after* you have added all **paying**-Members to your FAMILY Membership. Thanks!

We look forward to welcoming you at the Club!
